

## Australian Business Schools Ranking 2006

### Good Universities Guide

The only credible annual review of Australian Graduate Business Schools and MBA programs is conducted by the Hobsons Group Australia. Hobsons publish the results of this review in the *Good Universities Guide* to MBA and Graduate Management Programs. Ratings published in the 2006 edition (released September 2005) are shown below.

\*Did not respond to all questions in the MBA/University survey

^Offers MBA program for UniSyd & UniNSW

# Institutions in Sydney and Melbourne tend to rate higher due to cost of living in these cities
